**Career Transition Assistance Program (CTAP):**

- The closure and consolidation effort will eliminate ORD's presence in Las Vegas. CTAP is designed to improve your chances of finding a new job within EPA through selection priority.
- CTAP provides eligible displaced Federal employees with agency selection priority for vacancies being filled inside EPA's permanent competitive service workforces. Per CTAP, regulations a

displaced employee is defined, in part, as one who is in receipt of a Notice of Proposed Removal (NPR) for declining a directed reassignment outside the local commuting area or who is removed for declining a directed reassignment outside the local commuting area.

- If you decline the management directed reassignment and are issued a NPR, your CTAP eligibility will begin on the date you receive the NPR. A CTAP eligibility notice will be provided as an attachment to your NPR, if applicable.
- CTAP eligibility ends on the date the employee:
  - (1) Separates from the agency either voluntarily or involuntarily;
  - (2) Receives a notice rescinding, canceling or modifying the notice which established CTAP eligibility so that the employee no longer meets the definition of surplus or displaced;
  - (3) Is placed in another position within the agency at any grade or pay level, either permanent or time-limited, before the employee is separated; or
  - (4) Is appointed to a career, career-conditional, or excepted appointment without time limit in any Federal agency at any grade or pay level.
- CTAP selection priority applies to a vacancy in your local commuting area that is your current grade or pay level with a representative rate no higher than the representative rate of your current position; has no greater promotion potential than your current permanent position of record, and is filled during your CTAP eligibility period.
- As an CTAP eligible, you must submit all required documents described within the job opportunity announcement.
- You must meet the “Well Qualified” definition described in the job opportunity announcement in order to receive priority selection consideration.

#### **Interagency Career Transition Assistance (ICTAP):**

- The closure and consolidation effort will eliminate ORD’s presence in Las Vegas. ICTAP is designed to improve your chances of finding a new job in your agency, as well as in other federal agencies, through selection priority.
- ICTAP provides eligible displaced Federal employees with agency and interagency selection priority for vacancies in agencies that are filling positions from outside their respective permanent competitive service workforces. Per ICTAP regulations, a displaced employee is defined, in part, as one who is in receipt of a notice of proposed removal (NPR) for declining a directed reassignment outside the local commuting area or who is removed for declining a directed reassignment outside the local commuting area.
- If you decline the management directed reassignment and are issued a NPR, your ICTAP eligibility will begin on the date you receive the NPR. ICTAP eligibility notice will be provided as an attachment to your NPR, if applicable.

- ICTAP eligibility ends one year after removal by the agency for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station)

ICTAP eligibility also ends on the date the eligible:

- (1) Receives a notice rescinding, canceling, or modifying the notice which established ICTAP eligibility so that the employee no longer meets the definition of displaced;
- (2) Separates from the agency for any reason before the removal effective date; or
- (3) Is appointed to a career, career-conditional, or excepted appointment without time limit in any agency at any grade or pay level.

- ICTAP selection priority applies to a vacancy in your local commuting area that is your current grade or pay level with a representative rate no higher than the representative rate of your current position; has no greater promotion potential than your current permanent position of record, and is filled during your ICTAP eligibility period.
- As an ICTAP eligible, you must submit all required documents described within the job opportunity announcement. You may include the ICTAP eligibility letter with your application package.
- You must meet the “Well Qualified” definition described in the job opportunity announcement in order to receive priority selection consideration.
